### COUNTY EXECUTIVE STATEMENT ON DEPARTMENT OF ADMINISTRATIVE SERVICES APPOINTMENT

**Milwaukee, WI** – Milwaukee County Executive Lee Holloway released the following statement Thursday morning:

“It’s disappointing that the appointment of Mr. Renee Booker had to be withdrawn. But I will not allow the personal health of a staff member to be in jeopardy due to unnecessary stress placed upon him by a small number of bullies on the County Board.

“It’s a sad day when the health and well-being of good individuals become toys for politicians to play with. We are losing someone with experience who could have done an excellent job administering Milwaukee County services until April 5th.”
